

GREEN WEAVER LANDSCAPES

INSPIRED BY NATURE

GreenWeaver is currently seeking motivated, energetic people to join our team. GreenWeaver is a growing company that specializes in environmentally friendly landscape practices and environmental stewardship.

What makes Greenweaver different?

Greenweaver promotes a company culture of mutual respect and creativity. We support our team members with training and classes to promote professional development. Sustainability is paramount, everything we do is in the name of environmental conservation. Our workers have a voice and their feedback is taken seriously and acted upon. Our ideal candidate will share our values and passion for sustainability and landscaping.

As a Team Member, you would be expected to:

- Ensure customer satisfaction through high quality work
- Help us create high end landscapes that not only look great, but also provide ecological benefits through plant installation, reforestation, stormwater management, and hardscape installation.
- Learn to create and maintain meadows that attract and help sustain insects and wildlife.
- Work hard creating environmentally sustainable landscapes using hand tools and heavy equipment.
- Exhibit attention to detail with excellent quality control
- Communicate clearly to customers, crew, and management

Team Members with experience in the following areas are set up for success:

- Ability to read plans and blueprints
- Knowledge of native plants, stormwater management, landscape construction, and integrated pest management
- Ability to perform and understand grading functions (swales, bio swales, rain gardens, etc.)
- Experience using heavy equipment and the ability to drive a truck with a trailer

Why we love what we do:

- Plants will save the world
- Nature is endlessly fascinating
- We get to play in the dirt
- We have a great team
- There is always something new to learn

Benefits include accrued paid time off, holiday pay, group health insurance, and professional development
