

GreenWeaver Landscapes is seeking motivated, energetic people for the position of **Landscape Crew Leader**. GreenWeaver is a growing company that specializes in ecological landscape practices and environmental stewardship.

What makes Greenweaver different?

We value people. Greenweaver promotes a company culture of mutual respect and teamwork. We encourage professional development and support our team members with training and classes. Our employees have a voice, and their feedback is taken seriously. Our ideal candidate shares our values of quality and environmental stewardship and our passion for sustainability.

As a Crew Leader, you would:

- Help us create landscapes that look great and provide ecological benefits through native plant installation, stormwater management, and responsible landscape lighting.
- Ensure customer satisfaction through high-quality work and clear communication.
- Set an example through a positive attitude and a strong work ethic to motivate crew.
- Understand, anticipate, and prepare for the next steps in landscape projects in order to keep a high efficiency level.
- Communicate with supervisor and provide clear instructions to crew. Ask questions about any task or topic that is unclear.
- Know how to properly operate and maintain all tools and equipment.
- Maintain clean driving record and drive trucks and crew to job sites.
- Work some long days and in all weather conditions. Some weekend work is required.
- Keep all work areas including trucks, shop, and job sites neat for safety, efficiency, and appearance.

Crew Leaders would need experience or knowledge in the following areas:

- 2 years of Landscape Installation experience is a must (Heavy Machinery is a bonus)
- Managing people
- Integrated pest management
- Reading landscape plans
- Native, ornamental, and invasive plants

Compensation: Based on experience, starting from \$22.00 per hour. Benefits include accrued paid time off, holiday pay, group health insurance, and professional development.

At GreenWeaver, we love what we do. Here's why:

- Plants will save the world
- Nature is endlessly fascinating
- We get to play in the dirt
- There is always something new to learn
- We have a great team!
