

GREEN WEAVER LANDSCAPES

INSPIRED BY NATURE

GreenWeaver Landscapes is seeking motivated, energetic people for the position of **Gardener**. We are a growing company that specializes in ecological landscape practices and environmental stewardship.

What makes Greenweaver different?

We value people. Greenweaver promotes a company culture of mutual respect and teamwork. We encourage professional development and support our team members with training and classes. Our employees have a voice, and their feedback is taken seriously. Our ideal candidate shares our values of quality and environmental stewardship and our passion for sustainability.

As a Gardener, you would:

- Ensure customer satisfaction through efficient, high-quality work
- Help us maintain landscapes that look great and provide ecological benefits through general garden tasks such as weeding, pruning, plant care, and transplants
- Use gardening tools such as pruners, electric line trimmers, and blowers
- Communicate clearly and respectfully to customers, crew, and management
- Work in ALL weather conditions
- Create seasonal container displays
- Have the ability to lift 50 lbs easily
- Be a supportive team member

The gardening season begins in March with spring clean-ups and is in its peak April through November. The season ends with fall leaf and garden clean-up.

Gardeners would benefit from experience or knowledge in the following areas:

- Native, ornamental, and invasive plants
- Integrated pest management
- Ability to read landscape plans

Compensation: Based on experience, starting from \$18.00 per hour. Benefits include accrued paid time off, holiday pay, group health insurance, and professional development

At GreenWeaver, we love what we do. Here's why:

- Plants will save the world
- Nature is endlessly fascinating
- We get to play in the dirt
- There is always something new to learn
- We have a great team!

If you would like to work hard and have fun while making the world a better place, please join us!
